The 7.5 hours includes a thirty (30) minute duty-free lunch and being available at the work site thirty (30) minutes before the start of school. On Friday and days immediately preceding a school holiday, employees may leave at the time of school dismissal. Each time an employee finds he/she must leave the school premises during the lunch period, the employee shall notify the site office.

Teachers whose teaching day varies from the usual assignment (such as kindergarten, or “0-period” at the high school) may mutually agree with their Principal to adjust their hours.

3.1.1 Employees covered by this Agreement may be required to remain for a reasonable length of time beyond the normal work day. On those days when unit members are required to attend a meeting prior to the normal work day or return for an evening meeting or school event, unit members will be permitted to leave school at the time of school dismissal.

3.1.2 If employees covered by this Agreement attend more than 20 SST, IEP, and/or 504 meetings held outside contract hours during a school year, they shall be compensated for any subsequent SST, IEP, and/or 504 meetings held outside contract hours at a rate of \$25.00/hour. It shall be the teachers' responsibility to report attendance at such meetings on extra duty time sheets to the Superintendent or designee by the end of the month.

3.2 Persons covered by this Agreement shall be required to serve the number of hours outside of the working day which are necessary to provide for proper supervision of students and the student activity programs of the school to which they are assigned.

Teachers are responsible for serving the adjunct duty assignments they have selected. Assignments will not be changed without mutual agreement and consultation between the teacher and the administrator.

3.2.1 Lakeport Elementary School and Terrace Middle School Adjunct Duty Determination

Prior to the end of the school year, a Faculty Advisory Committee composed of faculty members and a site administrator shall review the Adjunct Duty List of the current year, make recommendations for changes, if necessary, and determine how duties are selected. Teachers will select one adjunct duty assignment, with the most senior teacher selecting first, followed by less senior teachers in the order of seniority. Selection in this manner will continue through the seniority list until all teachers have chosen one assignment. This process will be repeated until all adjunct duty assignments have been selected.

Teachers are responsible for serving the adjunct duty assignments they have selected. Assignments will not be changed without mutual agreement and consultation between the teacher and the administration.

- 3.3** The District may provide for minimum (or special schedule) school or working days based on recommendations of the building Principal and faculty.

ARTICLE 4 – GRIEVANCE PROCEDURE

4.1 Definition

- 4.1.1** A grievance is an allegation by the Association or an individual employee of the unit covered by the Agreement that there has been a misinterpretation, a misapplication, or a violation of a specific provision of the Agreement. A grievance can also be an allegation by the Association or employee that he has been treated by his immediate supervisor in an unfair or unprofessional manner.
- 4.1.2** A grievant is an individual employee and/or the Association covered by this Agreement.
- 4.1.3** A day, for the purpose of this grievance procedure, is any day in which the central administrative offices of the District are open for business exclusive of Christmas and spring vacation.

4.2 Purpose

- 4.2.1** The purpose of this procedure is to secure at the lowest possible administrative level solutions to the problems which may from time to time arise. Both parties agree that these procedures will be kept as informal and confidential as may be appropriate at any level of the procedure.
- 4.2.2** Nothing contained herein will be construed as limiting the right of any teacher having a grievance to discuss the matter with appropriate members of school administration and to have the grievance adjusted without intervention by the Association, provided that the adjustment is not inconsistent with the terms of this Agreement and the Association has been given an opportunity to state its views.

4.3 Grievance Procedure

- 4.3.1** Grievances must be presented within twenty (20) days of the act or omission giving rise to the grievance in order for the grievance to be subject to this grievance procedure. If the grievant so desires, he/she may request a representative from the Association to be present during the grievance procedure steps. Further, a grievant may be represented at all stages of the grievance procedure by himself/herself or, at his/her option, by a representative selected by the Association. In any event, no resolution of a grievance will be inconsistent with the terms of this written Agreement, nor will the District resolve grievance until the Association has received a copy of the grievance and the proposed resolution and until the Association has been given the opportunity to file a response.

4.3.2 Informal Grievance Procedure

- 4.3.2.1** Both parties agree that grievance proceedings should be kept as informal as possible. Therefore, employees with grievances are urged to try to resolve their grievances in an informal manner with their immediate supervisor or other appropriate members of school administration. Ten (10) days will be allowed for

settlement of grievances in this informal procedure. If a settlement cannot be reached, the grievance should be reduced to writing either before or at the expiration of the aforementioned ten (10) days and entered into the formal grievance procedure.

Note: If Supervisor/Superintendent does not respond by time limit, grievant may proceed to next level. If grievant does not comply with time limit, the grievance will be deemed to be resolved.

4.3.3.1 Step One – If the grievance is not settled during the informal grievance procedure, the grievance should be presented in writing to the immediate supervisor and to the Association. The supervisor shall give an answer in writing within five (5) days of receipt of the written grievance.

4.3.3.2 Step Two – The grievant and/or Association with the grievant's permission may appeal the written Step One answer to the Grievance Review Committee within ten (10) days after receipt of the immediate supervisor's answer.

The Grievance Review Committee shall consist of a member of the Association (designated by the Association), a member of the school administration (designated by the Superintendent) and an impartial member that both sides mutually agree upon. If the two committee members cannot reach agreement on the name of the impartial member, they will request the services of a mediator from the Lake County Panel of Mediators at no cost to the District. The Grievance Review Committee shall meet within ten (10) days of the receipt of the appeal and may take the following actions:

- a. Meet with the parties and attempt to mediate the dispute. Appendix F – Standards for the Interpretation of Contract Language, as attached to this contract, shall be used as a standard for determining the meaning of the contract language.

b. Recommend a solution to the Superintendent with or without meeting with the parties. The recommendation could be supported by all members of the committee or each could make a recommendation separately.

4.3.3.2.1 Within 10 days of the first meeting of the Grievance Review Panel, a written recommendation will be submitted to the Superintendent and the Association. The Superintendent shall give an answer in writing to the parties within ten (10) days after receipt of the Grievance Review Committee's recommendations.

4.3.3.3 Step Three – If the grievant(s) is not satisfied with the decision of the Superintendent, or if there was no decision submitted, the grievant(s) may, within ten (10) days, appeal the Superintendent's decision to the Governing Board of the Lakeport Unified School District. The grievant(s) shall file a copy with the Association. The appeal shall include a copy of the grievance, the decisions rendered at Level 1 and Level 2, if any, and a clear, concise statement of the reasons for the appeal.

4.3.3.3.1 The Governing Board shall hear the grievance within thirty (30) days of the receipt of the request for a Board hearing, unless mutually agreed otherwise.

4.3.3.3.2 Nothing herein shall be construed to limit the grievant(s) from pursuing a resolution of the grievance within a tribunal or court of competent jurisdiction after exhausting all procedures outlined here.

4.3.3.3.3 The Board decision-making process shall include:

4.3.3.3.3.1 All parties will have access to any evidence that may have bearing on the Board's decision. (Discovery)

4.3.3.3.3.2 All parties will hear all arguments being made pertinent to the decision.

4.3.3.3.3.3 Appendix F – Standards for the Interpretation of Contract Language, as attached to this contract, shall be used as a standard for determining the meaning of contract language.

4.3.3.3.3.4 Both parties shall submit written briefs summarizing key arguments within thirty (30) days of the hearing, unless mutually waived.

4.3.3.3.5 Both parties will receive the written brief of the opposing party and shall have an opportunity to submit a rebuttal within ten (10) days.

4.3.3.3.4 Within thirty (30) days of the receipt of all briefs and rebuttals, the Board shall issue a written decision to all parties. This decision is final and binding on all parties and shall be precedent setting.

4.4 Grieving Provisions

While the grievance procedures are being pursued, the Superintendent's resolution of the existing problem shall be followed until a final decision of the matter is reached.

4.5 Miscellaneous

4.5.1 If the immediate supervisor, District Superintendent, or the Association fails to comply with the time limits set forth, the grievant may process the grievance to the next level of the grievance procedure. If the grievant fails to comply with the time limits set forth, then the last answer received by the grievant will be deemed to resolve the grievance.

4.5.2 Grievances reduced to writing for the formal grievance procedure shall be on the prescribed form (Appendix A), which shall include statements indicating:

- a. how the individual employee was adversely affected;
- b. the specific section of the contract allegedly violated;
- c. the specific remedy sought by the employee to resolve the grievance.

4.5.3 All documents, communications and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the personnel file of any of the participants.

ARTICLE 5 – SAFETY CONDITIONS (TA dated 10.29.20)

- 5.1** The safety and health of pupils and employees is an important concern of the District. To ensure that exposure to unsafe conditions is minimized, certificated employees will be encouraged to be safety conscious in their own actions and to report any unsafe conditions to their immediate supervisors.
- 5.2** The District and the Association recognize that student misconduct could result in safety problems for both the students and the teachers. The parties further recognize that each student is an individual and that control and correction of student misconduct must be handled on an individual case basis. Pursuant to **Education Code** Section 48910, a teacher may suspend a pupil from the teacher's class for any of the acts enumerated in **Education Code** Section 48900 for the day of the suspension and the following day. The teacher shall immediately report the suspension to the Principal of the school and send the pupil to the Principal or the Principal's designee for appropriate action. As soon as possible, the teacher shall ask the parent or guardian of the pupil to attend a parent-teacher conference regarding the suspension.

Whenever practicable, a school counselor or a school psychologist shall attend the conference. A school administrator shall attend the conference if the teacher so requests. The pupil shall not be returned to the class from which he or she was suspended, during the period of suspension, without the concurrence of the teacher of the class and the Principal. Further, District policy on student misconduct will not be changed without consultation with the Association.

- 5.3** Per Education Code 49079, the district shall inform the teacher of each pupil who has engaged in, or is reasonably suspected to have engaged in, any of the acts described in any of the subdivisions, except subdivision (h), of Section 48900 or in Section 48900.2, 48900.3, 48900.4, or 48900.7 that the pupil engaged in, or is reasonably suspected to have engaged in, those acts. The district shall provide the information to the teacher based upon any records that the district maintains in its ordinary course of business, or receives from a law enforcement agency, regarding a pupil described in this section.

ARTICLE 6 – EVALUATION POLICY FOR CERTIFICATED PERSONNEL

6.1 It is understood and agreed by both parties that the principal objective of evaluation is to maintain and improve the quality of education within the District. It is further understood and agreed that this objective can be more readily achieved by a manifest willingness on the part of the Board to assist all certificated employees, especially less experienced employees, to improve their professional skills. Therefore, this policy is an expression of the intent of both parties to establish a uniform system of evaluation of the performance of all certificated employees.

6.2 Principles of Assessment

6.2.1 The Board shall evaluate and assess certificated employee competency as it reasonably relates to:

6.2.1.1 the progress of students toward standards established by the Governing Board pursuant to **Education Code** Section 44662;

6.4 Formal evaluation shall include:

6.4.1 An orientation conference between the evaluator and evaluatee

6.4.2 At least two (2) classroom observations. Probationary Teachers are required to submit the lesson plan prior to the observations. Lesson plans may also be required prior to the observation for any unit member receiving an unsatisfactory or a needs improvement on a previous evaluation. Reports of these observations shall be written. When weaknesses are noted, the report shall include specific recommendations and a statement describing the administrative support.

- 6.4.3 A review of records of student progress in relation to established written standards of performance exclusive of standardized test scores.
- 6.4.4 A formal written evaluation of the evaluatee on the prescribed forms (such forms shall be part of the District policy).
- 6.4.5 A representative of the Association may be present at all conferences at the discretion of the teacher.

6.5 Calendar of Minimum Events

- 6.5.1 Orientation conference no later than the last day of the seventh week of school.
- 6.5.2 Establish goals and objectives by all employees no later than the last day of the ninth week of school.
- 6.5.3 Final written evaluation of probationary employees no later than March 1st.
- 6.5.4 Final written evaluation of permanent employees not later than 30 days before the last school day scheduled on the school calendar adopted by the governing board for the school year in which the evaluation takes place.

6.6 Procedures (Education Code Sections 44663, 44664)

- 6.6.1 Evaluation and assessment of the performance of each certificated employee shall be made on a continuing basis. Probationary personnel shall be evaluated at least once each school year. Permanent personnel shall be evaluated at least every other year unless they meet the criteria and have signed a five-year evaluation agreement (Appendix H).
- 6.6.2 The evaluation shall include recommendations, if necessary, as to areas of improvement in the performance of the employees.
- 6.6.3 In the event any employee is not performing his duties in a satisfactory manner according to the standards prescribed by the Governing Board, the employee in authority shall notify the employee in writing of such fact and describe such unsatisfactory performance.
- 6.6.4 The employee in authority shall thereafter confer with the employee making specific recommendations as to areas of improvement in the employee's performance and endeavor to assist the employee in such performance.
- 6.6.5 When any permanent certificated employee has received an unsatisfactory evaluation, the employee in authority shall annually evaluate the employee until the employee achieves a positive evaluation or is separated from the District.
- 6.6.6 Any evaluation performed pursuant to this article which contains an unsatisfactory rating of an employee's performance in the area of teaching method or instruction may include the requirement that the certificated employee shall, as determined necessary by the employee in authority, participate in a program designed to improve appropriate areas of the employee's performance and to further pupil achievement and the instructional objectives of the employee in authority.

- 6.6.7** Evaluation and assessment made pursuant to this article shall be reduced to writing and a copy thereof shall be transmitted to the certificated employee not later than 30 days before the last school day scheduled on the school calendar adopted by the governing board for the school year in which the evaluation takes place.
- 6.6.8** The certificated employee shall have the right to initiate a written reaction or response to the evaluation.
- 6.6.9** Such response shall become a permanent attachment to the employee's personnel file.
- 6.6.10** Before the last school day scheduled on the school calendar adopted by the Governing Board for the school year, a meeting shall be held between the employee and the evaluator to discuss the evaluation.

ARTICLE 7 – PEER ASSISTANCE AND REVIEW GUIDELINES
(TA dated 3.21.22)

The Lakeport Unified School District and Lakeport Unified Teachers' Association strive to provide the highest quality education to all students at Lakeport Unified School District. Both parties agree that optimum student performance is contingent upon optimum teacher performance. The parties believe that all teachers, even the most skilled, must focus on continuous improvement in their professional practice. Therefore, the parties agree to cooperate in the design and implementation of a mentoring program to improve the quality of instruction through expanded and improved professional development, peer assistance, and professional accountability. As part of the mentoring program there will be a component that provides for confidential support for teachers who are referred based upon their performance assessment, and those who request help.

ARTICLE 8 – CLASS SIZE (TA dated 10.29.20)

8.1 The District will attempt to meet the goal of class enrollment not to exceed: 24 in kindergarten through grade 3; 30 in grades 4 through 6 (excluding band and PE); 32 in core classes in grades 7 through 12 based on pupil enrollment per class period; and 20 in special day classes (SDC). For the purpose of this Agreement, a student is considered enrolled in a core class in grades 4-6 if the teacher is required to provide daily instruction and academic support. In the event that class enrollment exceeds these limits, a conference between the affected teachers, the principal, a representative of the Association and the Superintendent or his/her designee may be called by any of the parties listed above to develop a mitigation plan to recommend to the Board.

The average daily attendance ratio for Lakeport Alternative School (long term independent study program) is 24 students to 1 teacher. This will be used as the comparative ratio for independent study.

If, after the first 20 school days, the class enrollment is not adjusted to comply with the above limits, the unit member shall receive \$5.00 (five dollars and no/100) per enrollee for each day the class enrollment exceeds the ceiling retroactive to the first day of school. If, on or after day 21, class enrollment exceeds the limit, compensation begins that day. The unit member shall inform the site administration in writing if they choose not to receive the compensation.

Core classes in grades 7 through 12 are language arts, science, social studies, and mathematics.

- 11.7.1.5** The Principal shall recommend to the Governing Board a qualified candidate from the applicants to fill the vacant extra service assignment.
- 11.7.1.6** Final selection of the qualified candidate to fill the position shall be made by the Governing Board with consideration of the recommendation from school administration.

11.7.1.7 On or before April 15 of each year, the District shall distribute to site representatives a roster of all extra service positions and position holders.

11.8 One Time or Non-Recurring Assignments

Whenever it is determined by the District to pay a stipend for a specific task which is designed for limited duration, the District shall notify the Association of its intent to do so and stipulate the amount to be paid. Provisions of Article 11.7.1 (sections 11.7.1.2 through 11.7.1.5) apply in the process of selecting those to fill these assignments.

11.9 Compensation for Extra Services

Compensation for extra services shall be paid in accordance with the Schedule of Extra Services (Appendix E) as a separate check issued in December, March and May.

The extra duty salary schedule shall be reviewed annually. The schedule will receive the same percentage adjustment as the certificated salary schedule.

11.10 Compensation for Counselors, Lead Teachers, Instructional Coaches, and Special Education Case Managers

In recognition of added responsibilities, credential/license requirements and/or days of service, counselors, lead teachers, and instructional coaches shall receive an additional ten percent in annual salary.

In recognition of added due process responsibilities, all special education case managers shall receive a \$3,500 stipend annually. This stipend will be paid on a pro rata basis for part-time special education case managers. All stipends are payable in May.

11.11 Teaching an Additional Period

A teacher will be paid an additional 1/7 salary for time spent teaching an additional period if the teacher is asked to teach an additional period to relieve overcrowding or increase course offerings. The decision to determine the need of this position rests solely with the District. Teachers receiving pay for their prep period cannot also receive a stipend for the same period/duty. A stipend can be given for afterschool hour duty, per the Teacher's Extra Duty Schedule.

ARTICLE 12 – HEALTH AND WELFARE BENEFITS (TA dated 3.21.22 – no changes)

12.1 The District shall provide medical, prescription, dental and vision insurance for employees and dependents at a rate no greater than \$15,500. Any cost above the monthly District contribution shall be paid by employees through payroll deductions. The District shall also provide an IRS 125 plan at no cost to the employees to tax shelter any out-of-pocket expenses incurred by bargaining unit members for health insurance premiums, required co-payments, and qualifying dependent care.

The Association will present unit members with the number of plans allowed by the carrier. When possible, one of the plans will have a no “out of pocket” monthly premium cost. Should the District’s contribution exceed the cost of the health benefit plan chosen by the employee, the unit member shall receive the difference on a monthly basis, less all normal payroll costs.

12.1.1 Part-time unit members will be entitled to a prorated share of the health and welfare benefit cap equal to their percentage of full-time equivalency.

12.2 The determination as to the carrier and type of program shall be made by the District.

12.3 A designated member of the Association shall be provided with copies of the meeting agenda and minutes of the Board of Directors and the Joint Powers Agency governing the Self-Insurance Program for employee health-related benefits. Said designee may attend, as an observer, JPA Board meetings deemed important by the Association.

If the attendance of an Association member at such meeting requires the employment of a substitute teacher, the Association will reimburse the district for the expenses of the substitute.

12.4 The District will offer a major medical health plan as an option such as the SISC Basic Plan to be mutually agreed upon by the District and the Lakeport Unified Teachers’ Association that will be available to retirees to participate at their expense unless otherwise provided for in this Agreement.

Should there be any administrative cost from the plan provider for making this option available, these costs shall be borne by the retiree and calculated as a pro-rata share in addition to each participating retiree’s contribution for this benefit.

This provision of the contract does not establish a vested right and may be terminated through the negotiation process at any time.

ARTICLE 13 – DISTRICT RIGHTS

13.1 Legal Responsibilities

The Association recognizes the prerogative of the District to govern, operate, and manage its affairs in all respects in accordance with its legal responsibilities. The District recognizes the right and responsibility of the Association to represent unit members in matters subject to meeting and negotiation.

13.4 Emergency Clause

Both parties recognize that there may occur certain exigent circumstances when emergency action is required. Emergencies shall be limited to unforeseen events of such extreme magnitude as to make the affected provision of the contract reasonably and objectively non-performable and require action by the District in response thereto. Financial situations that could reasonably be foreseen or dealt with by the District shall not constitute an emergency under these provisions. In the event of such a bona fide emergency, performance of the affected provisions of this Agreement may be temporarily suspended, but the parties agree to meet and negotiate as soon as possible to arrive at a mutually agreeable solution during the emergency. Such suspension shall be terminated promptly when the emergency ends.

ARTICLE 14 – UNIT MEMBERS’ RIGHTS

- 14.2** The Association has the right to consult with the Governing Board or its representative on the definition of educational objectives, the determination of the context of courses and curriculum, the selection of textbooks, and actions or changes in written Board policies and/or written administrative rules and regulations which affect employees covered by the Agreement.

14.5 Seniority Roster

The District shall post a seniority list at all school sites no later than September 30. If changes occur, the District shall post a new list. This list shall contain the names of all permanent and probationary unit members, along with their date of hire as determined pursuant to **Education Code** Section 44845, which provides:

Every probationary or permanent employee employed after June 30, 1947, shall be deemed to have been employed on the date upon which he first rendered paid service in a probationary position.

The District adopted and posted seniority list shall be utilized in any certificated layoff proceedings and for determining seniority for any applicable provision of this Collective Bargaining Agreement.

Once the list is posted, unit members shall have twenty (20) work days to contest in writing their District enumerated seniority date. District will respond in writing to any contested seniority date within ten (10) work days. The District’s decision with regard to the unit member’s contested seniority date shall be final and not subject to the grievance procedure, with the exception of disputes to seniority dates that are involved in the implementation of Article 9 (Vacancies and Transfers).

ARTICLE 15 – ASSOCIATION MEMBERSHIP DUES AND AGENCY FEES –

15.1 Association Dues

15.1.1 The District agrees to deduct Association dues from the pay of unit members who have joined CTA.

- 16.5** The person responsible for investigating complaints will attempt to resolve the complaint to the satisfaction of the person(s) involved within thirty (30) days.
- 16.6** The complainant may appeal a decision by the Principal or immediate supervisor to the Superintendent or designee, who will attempt to resolve the complaint to the satisfaction of the person(s) involved within thirty (30) days. However, the complainant, the employee, or the Superintendent or designee may ask to address the Board regarding the complaint.
- 16.7** Before any Board consideration of a complaint, the Superintendent or designee shall submit to the Board a written report concerning the complaint, including but not limited to:

- 16.8** All parties to the complaint may be asked to attend a Board meeting in order to present all available evidence and allow every opportunity for explaining and clarifying the issue.
- 16.9** Before the Board holds a closed session to hear complaints or charges brought against an employee, the employee shall receive written notice of his/her right to have the

complaints or charges heard in open session rather than closed session. This notice shall be delivered personally or by mail at least 24 hours before the time of the session, and the employee may request that the complaints or charges be heard in open session. Complaints concerning Board members shall be addressed in open session unless a closed session is warranted pursuant to **Education Code** 35146 or 48918 or **Government Code** 54957 or 54957.6

16.10 Any decision of the Board shall be final.

ARTICLE 17 – SAVINGS CLAUSE

If any provisions of this Agreement or any application thereof to an employee is held by a court of competent jurisdiction to be contrary to law, then such provision or application will be deemed invalid to the extent required by such court decision, but all other provisions or applications shall continue to full force effect.

ARTICLE 18 – PARAPROFESSIONALS

The District and the Association recognize the significant contribution made by paraprofessionals to the educational program. It is agreed that, in the event of changing fiscal conditions which could result in the District's consideration of a reduction of paraprofessional services, the District will not reduce paraprofessional positions or services without first consulting with the Association.

In the event prorating is necessary, all teachers participating in the program will receive a prorated portion of the dollars available. (For example, if the amount available represents 90% of the amount needed, all participants would receive 90% of the matching contribution for which they are eligible.)
- 21.8** Management of both the portfolios of individual investments and any District matching contributions shall be the sole responsibility of the individual participant in whose name the District contribution has been made. Any investment fees will be paid by the employee. APPENDIX F

Standards for the Interpretation of Contract Language

1. If the Association is making a case for the meaning of a particular section of the contract, the burden of proof is on the Association.
2. The purpose of the process is to interpret, not legislate.
3. Evidence of the intent of the parties when they were drafting contract language shows intended meaning even if actual language is not clear.
4. Clear and unambiguous language will be enforced without further interpretation.
5. If there are two possible interpretations where one is lawful and the other isn't, the decision will side with the lawful version.
6. Unless terms are specifically defined in the contract, the usual and customary definition of the term will be used. Trade and technical terms will be used as commonly defined in the field unless otherwise defined in the contract.
7. The contract will be viewed as a whole when determining the meaning of a particular part.
8. An interpretation that would lead to an absurd or nonsensical result will be rejected. Seeking an interpretation that leads to just and reasonable results will be the goal.
9. To expressly state exceptions and/or guarantees indicates that there are no other exceptions or guarantees.
10. If two or more sections of the contract speak to the same issue, the one that is the most specific prevails.
11. Ambiguous or doubtful words should be defined according to the context in which they are used.
12. When interpretation of a section of contract could be construed to require a forfeiture of either party or could be construed differently in a manner that would not require forfeiture, the meaning that avoids the forfeiture would be used.
13. The intent of the parties and circumstances throughout negotiations will determine the meaning of the contract section.
14. Compromise offers and proposals offered during all negotiations and grievance proceedings will not be used to determine the meaning of adopted language.
15. The experience and training of the negotiators will determine whether strict construction of a term or phrase should be applied.
16. Custom and past practice of the parties determines the mutual understanding of any ambiguous language. If custom or past practices are contrary to the law, the law will prevail as in #5 above.
17. Custom and industry practice determines a reasonable intended meaning of contract language.
18. Prior settlements of grievances on like topics should be used to determine meaning of contract language.
19. If one party proposed or drafted the language that is viewed as ambiguous and the other party can show that they were misled, the proposing party is responsible for it and the decision will be against them.
20. District-issued booklets, manuals, and handbooks are not sufficient to prove meaning, as they are the unilateral statement of the employer.

21. If there is a conflict between the specific language in the collective bargaining agreement and a contract with an insurance carrier, the collective bargaining agreement prevails.

22. When one interpretation gives one party unfair and unreasonable advantages over the other, an interpretation that is more fair and equitable to both parties will prevail.
