April 3, 2023

TO: Superintendent and Key Contacts of SISC III Member Districts
FROM: SISC Health Benefits
SUBJECT: NEW! Eden Health Virtual Primary Care is Now Available to SISC PPO Members

We are pleased to announce the addition of Eden Health Virtual Primary Care to the SISC PPO plans. Through Eden, SISC PPO members have access to a primary care provider who can diagnose conditions, refer to in-network specialists, provide follow-up care, and connect to mental health support all through one smartphone application.

Maintaining a relationship with an Eden primary care provider can help promptly identify new issues and promote better health outcomes. So whether members are sick or need a prescription refilled, they can connect with their trusted Eden primary care team 24/7. PPO members should download the Eden Health app on their smartphone to get started. See attached flyer.

To learn more about Eden Health, please join us for a webinar on Tuesday, April 11th at 9am. We will devote 60 minutes to exploring the Eden Health benefit and answering your questions. This webinar is intended for district personnel responsible for administering and communicating employee benefits. This webinar will be recorded and available on SISCconnect by April 14th. **REGISTER HERE:**

<https://sisc.webex.com/weblink/register/r1ade2df6f6ce6ececbead45842bc6fb8>

Please note Eden Health is available to adult members enrolled on an Anthem or Blue Shield active or <65 PPO group number. Eden is not available on SISC HSA plans. Eligible members will be receiving emails and/or mailers directly from SISC to bring awareness of this valuable new benefit.

We hope you share the attached flyer with employees and make it available on your benefits website. With a focus on primary care, Eden can help our PPO members access the care they need when they need it. Please help us get the word out!

Need a Primary Care Doctor?

Just ask Eden. You'll get connected to an entire health Care Team.

As part of your SISC PPO Medical Benefits, you have 24/7 access to a Care Team who works together to offer you primary care, mental health support, and answers to follow-up care questions through one app. The answer to most of your health questions is now simple: "Just Ask Eden."

WE'RE HERE, 24/7/365

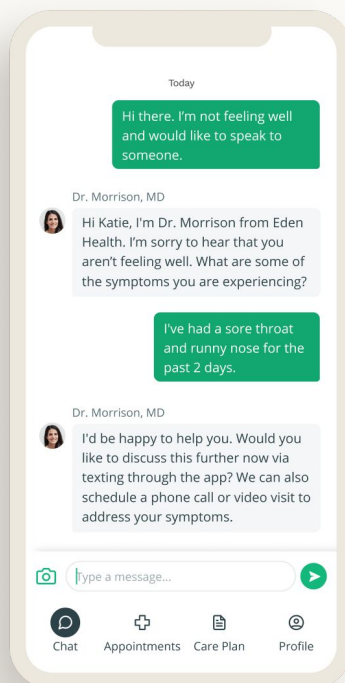

Diagnoses and
