

Medieval History Syllabus

Who Am I?

Hello my name is Mr. Derby and I will be your child's 7th grade History teacher. I am a graduate of Saint Mary's College of California with a BA in History and a graduate of the Kalmanovitz School of Education's credential program. I am excited to have your child as a student.

Overview of Class

Welcome to Early World-History, a period of time in our world that has shaped the foundation of our modern civilization. In this class you will learn how the fall of ancient civilizations lead to a world lead by kings and religious figures, the rise of influential new religions and the birth of revolutionary ideas.

Entering Class

When you enter my classroom you will enter quietly and take a Do Now Worksheet from the back of the classroom. After grabbing a Do Now Worksheet you will find your desk and get out your planner, a notebook and a pencil.

Homework and Late Work Policy:

Latework cannot receive a grade higher than 50%. I believe it is a lesson for students to develop the skills of time budgeting and due dates. It is the job of the student to get the missing work.

Grading Scale:

Classwork: 40%

Tests and Quizzes 25%

Homework 25%

Participation 10%

Abbreviated Classroom rules:

Respect the speaker

Be respectful

Be responsible

Be safe

Be the best you can be

Discipline:

Step 1 Verbal Warning

Step 2 Merits

Step 3 Reflection Form

Step 4 Discipline Referral

Disclaimer: Based on rules and procedures broken and previous breaks of said rules and procedures consequences may differ.
