

Manor Project

Your final summative project for the month of November is to create and design your own medieval manor to reflect the life of people in Medieval Europe (800-1450) C.E. This will be due December 6th.

Additionally you will need to write a one page paper answering the following question: What was life like in the Middle Ages? Note: The outline beneath is one example of what could be written.

Your project needs to have the following things:

A Manor House

Defenses: (A moat, walls, draw-bridge)

Serf Housing(Must have at least 3)

Fields (Must have at least 3)

Church

Mill (The mill can be water powered or wind powered)

Labeled

Extra Credit:

Forest

Orchard

Blacksmith

Bakery

Pasture

Barn

Manor Project

Outline:

Thesis Statement: Life in the middle ages was....

1st Paragraph: One group of people who lived in the middle ages were the...

What did these people do?

What was life like for these people?

How did they interact with the rest of Medieval society?

Is there a comparison to these people now?

2nd Paragraph

One group of people who lived in the middle ages were the...

What did these people do?

What was life like for these people?

How did they interact with the rest of Medieval society?

Is there a comparison to these people now?

3rd Paragraph

One group of people who lived in the middle ages were the...

What did these people do?

What was life like for these people?

How did they interact with the rest of Medieval society?

Is there a comparison to these people now?

Conclusion: Life in the Middle Ages is/isn't similar to our lives because...

Manor Project

The GECK/BAE RUBRIC

	BASIC	ACHIEVING	EXCEEDING
Grammar	The project has multiple grammatical errors including punctuation capitalization and run on sentences.	Student has less than 8 grammatical errors.	Student has very few grammatical errors.
Effort	Student did put in minimal effort into the project.	Student put in a level of effort including color.	Student put in considerable time and energy into the booklet. Including coloring, neatness and crisp images.
Completion	The student completed less than half of the project	The student completed more than half of the project	The student completed all aspects of the project
Knowledge	Student knows a very basic level of the content needed to do the project.	Student has a decent understanding of the knowledge needed to do the project.	Student has gone above and beyond and has provided new information,
